Personal Care

Lamberti is a manufacturer of chemical specialties focused on customers' needs. Based on well established Technological Platforms (Natural and Synthetic Polymers and Oleochemicals) the Personal Care portfolio offers traditional products together with patented innovative raw materials for Skin Care, Hair Care, Oral Care, Make Up and Toiletries.

All new developments supported by our R&D laboratories are committed towards sustainability and environmentally friendly chemistry, in compliance with regulatory requirements. An international presence based on local Lamberti facilities and a consolidated distributors' network, guarantee a prompt service on global basis. To better focus on formulation design Lamberti has integrated Kalichem who has a well recognized know-how in the world of cosmeceuticals and synergistic ingredients.

The value of transparency & transparency as a value

- Clear communication for a conscious choice
- Open collaboration for relations based on trust and common goals
- Crystal-clear formulative solutions for your beauty

VISCOLAM® CL5

A versatile solution to enhance the sensory experience of your low-pH cleansing products, while suspending eye-catching ingredients

ESAFLO® PFT

New transparent and water-smart guar derivative for eco-conscious formulators

EUCAROL® AGE

Combine mildness and detergent activity with our α -hydroxyacid derivatives based on renewable raw materials
